In addition to the famed Summer Concert Series, The Mountain Winery is a destination of choice for Wine Tasting, Corporate Events and Weddings. The Mountain Winery planted an additional 9,000 vines last year and resurrected the wine club, Club Mountain Winery. The operation of the vineyards on these historic premises was reinstated in 1998 when the current Mountain Winery owners took charge of the Winery's vineyard activities and wine program with the planting of a vineyard for the first time since winemaking ceased in 1952. The goal of this new vineyard is to grow grapes for the premium wine that the rich soil of the Saratoga foothills has always produced. The Mountain Winery is open for tastings every Friday, Saturday and Sunday from noon to 5 p.m. weather permitting; call 408-741-2822 for information. Details on joining Club Mountain Winery can be found at [www.MountainWinery.com](http://www.MountainWinery.com).
