The Mountain Winery, recently nominated for Best Small Outdoor Concert Venue in the Country is located high atop the mountains in Northern California in the former Winery of Paul Masson. The Winery which began hosting concerts just over 50 years ago, provides a unique concert experience, combining fine dining, exquisite wine selections and an intimate seating capacity. Premium Seats and Season Tickets are on-sale now by calling 408-741-2817. Individual show tickets will go on-sale on Monday, April 26 at 10 a.m. via www.MountainWinery.com.

Each year, The Mountain Winery hosts 65 or more concerts with the majority of its season going on sale in April. Last year, The Mountain Winery hosted such artists as Wilco, James Taylor, Sheryl Crow, Duran Duran and Kathy Griffin. Recent renovations at the Mountain Winery have included improved seating, a redesigned plaza and enhanced acoustics. The renovated concert bowl was designed to preserve the intimacy of the concert experience while increasing to 2500 the number of people who are able to enjoy each show. As a result of the renovation, we

are offering additional dining opportunities and a complete Club experience for Premium Season Ticket Holders and Suite Holders.

In addition to the famed Summer Concert Series, The Mountain Winery is a destination of choice for Wine Tasting, Corporate Events and Weddings. The Mountain Winery planted an additional 9,000 vines last year and resurrected the wine club, Club Mountain Winery. The operation of the vineyards on these historic premises was reinstated in 1998 when the current Mountain Winery owners took charge of the Winery's vineyard activities and wine program with the planting of a vineyard for the first time since winemaking ceased in 1952. The goal of this new vineyard is to grow grapes for the premium wine that the rich soil of the Saratoga foothills has always produced. The Mountain Winery is open for tastings every Friday, Saturday and Sunday from noon to 5 p.m. weather permitting; call 408-741-2822 for information. Details on joining Club Mountain Winery can be found at www.MountainWinery.com.
